AMENDED **DECISION and ORDER**

Pro se plaintiff Social Language Processing, Inc. commenced this action on April 10, 2013, against defendants Myle Ott, Jeffery T. Hancock and Claire Cardie, alleging breach of defendants' fiduciary duty. Social Language, a corporation, is not represented by counsel as is required by the well-established law of this District. For that reason, on March 1, 2016, the Honorable David E. Peebles, United States Magistrate Judge, advised by Report-

Recommendation that plaintiff's complaint be dismissed.

Thus, based upon a de novo review of the Report-Recommendation, the Report-Recommendation is accepted in whole. See 28 U.S.C. § 636(b)(1).

Therefore, it is ORDERED that:

Plaintiff's operative complaint is **DISMISSED** (ECF No. 76), and

The Clerk serve a copy of this Order on plaintiff.

IT IS SO ORDERED.

  
United States District Judge
